3-Way Matching Fund— The Southern New England Conference (SNEC) in partnership with GBA and the local church has made provision to grant student aid funds to all qualified Pre K-12 students attending SNEC Elementary Schools and Academies who qualify on a financial needs basis. Once the local church board determines financial need the church clerk should send the application to the Conference Treasurer, along with a check for the church's share of \$200. Once approved by the Conference, a check covering the Conference portion and the church portion will be forwarded to the school for credit to the student's account. These scholarship funds are paid twice each year, toward the end of each semester (during the months of

November and April). The business office will credit its portion of student aid to the student's account in ten equal credits. ***The application deadline is October 31.***

Note: If for any reason the school does not receive the Matching Funds from the Conference/Church, then the parent would be responsible for the amount we credited your student account. Application forms are available at the Business Office and online in our school web side.
